## GENERAL INFORMATION

**Eligibility Roster:** The Eligibility Roster is due at the MPA office on January 27, 2017. The form is the official roster of eligible participants. Only those listed may compete.

**Seeding Information:** Seeding information is due on Tuesday, February 14, 2017 prior to 9:00pm - Class A to Glendon Rand--(runsub5@roadrunner.com), Class B to David Jeffrey -- (djeffrey@breweredu.org). E-mail and fax backup to insure that no mistakes have occurred. They are official documents and the \$35 fine applies for boys and girls if they are not submitted. The only changes made to the 2/16 posting will be e-mailing errors which may be verified by hand data information. If hand backup data has not been supplied, the posting stands.

**Spikes:** All coaches are asked to instruct their competitors to wear rubber-soled running shoes. This MUST be strictly enforced. The wearing of indoor spikes, if allowed, will be determined by the facility. For the state championship meets spikes will be allowed. Bates – ¼” pyramid spikes, USM - 1/8” spikes.

**Shots:** Only indoor shots may be used and must be approved by the Head Field Judge.

**Pole Vault:** Certification forms must be completed prior to the first scheduled meet and be available at all regular season meets. Changes and adjustments must be made throughout the season. Prior to the start of all meets, the meet director or Pole Vault

official/adult will meet with coaches to verify that the athlete's weight and pole match. All coaches must be present prior to the athlete's participation at the start of the event.

- a. Athletic weight certifications are due prior to the start of the verification meeting at all meets.
- b. All vaulters must wear helmets.
- c. All NFHS rules related to pole vault events must be implemented and monitored at all meets.
- d. A sample permission slip is available on the MPA website for parents of vaulters to sign prior to participation.
- e. The official/adult supervising the event will check all poles for proper weight identification and markings.
- f. During the event, the official may randomly check the poles and athletes weight certification for proper match.
- g. The range for the position of the standards in the pole vault has been changed to **18 inches (45.7cm)** measured beyond the vertical plane of the top of the stop board, zero (0) point, up to a maximum distance of 31.5 inches (80cm) in the direction of the landing surface.

**Dressing Rooms:** Since the dressing rooms will be shared, each team must make their own provisions for the care of valuables.

**Coaches:** All coaches working with athletes at the state championship meet must be listed on the coaches eligibility form submitted to the MPA.

\*Each coach must complete the NFHS "*Concussion in Sport*" video that is available at the NFHS website ([www.nfhslearn.com](http://www.nfhslearn.com)).

\*Each coach must complete the NFHS "*A Guide to Heat Acclimatization and Heat Illness Prevention*" video that is available at the NFHS website ([www.nfhslearn.com](http://www.nfhslearn.com)).

\*Each coach must complete the NFHS "*Sudden Cardiac Arrest*" video that is available at the NFHS website ([www.nfhslearn.com](http://www.nfhslearn.com)).

Coaches are responsible for seeing that their competitors are informed of, and comply with, all the information in this Bulletin. Coaches and athletes are guests at the host facility and should treat it with respect. Please adhere to the host facility regulation related to food in the facilities and police your team area prior to departure. Sportsmanship must be a priority for coaches and athletes. Respect must be shown to officials at all times.

**Conduct of Participants:** The MPA Track Committee reserves the right, at any time, to withdraw from an individual or team the right to compete in the championship meet if the individual or team is guilty of misconduct prior to or during the meet. If, in the opinion of the referee, competitors do not make an "honest effort" in an event in which they are entered, those competitors may be disqualified for unsporting conduct and barred from further participation in that meet and the next regularly scheduled meet.

**UNIFORM RULE:** Each competitor must adhere to the Uniform (Rule 4-3; Art. 1, 2, and 4) as outlined in the 2017 NFHS Track & Field Rules Book.

**BONA FIDE TEAM RULE**

A member of a school team is a student athlete who is regularly present for and actively participates in team practices and competitions. Bona fide members of a school team are prevented from missing high school practice or competition to compete or practice elsewhere.

\* A single waiver per student athlete per sport season may be granted by the principal on a case-by-case basis for extraordinary circumstances. (e.g. If a student/athlete were invited to participate in a prestigious weekend event then a waiver may be granted. If a student/athlete were invited to participate in a nationally recognized tournament over a school vacation then **that** waiver may be granted for that activity. If a student requests to miss practice every Friday because he/she is receiving specialized coaching from an outside team/coach, then a waiver should not be granted **because it violates the spirit and intent of the rule.**)

\*\* This policy is not intended to restrict dual sport participation in schools that allow dual participation.

\*\*\* Penalty for violation of this policy:

1<sup>st</sup> Violation Report violation to MPA office, suspension from play for one game/contest

2<sup>nd</sup> Violation Report violation to MPA office, removal from team for remainder of season

(Effective Date: 2011)

**TERMS AND CONDITIONS FOR MPA INDOOR TRACK CHAMPIONSHIPS**

**Qualifying:** Prior to the 2016-2017 season each school must submit a schedule containing no more than eight meets, this would include the league championship meet.

Schools may list events such as the Bowdoin Relays or Dartmouth Relays as one of their eight team events for the athletes to qualify for the state meet. Athletes who participate as individuals may NOT qualify for the state meet unless it is one of the eight team meets (and the coach attends the meet with him/her). Meets listed on your schedule are the only meets at which an athlete may qualify for the state meet. All other exhibition meets, etc. do not count.

**Rules:** 2017 National Federation Track and Field Rules and the Official Case Book situation rulings together with MPA Terms and Conditions set forth in this Bulletin are in

effect. Each site shall establish a Games Committee which shall include the Meet Director, Meet Referee, MPA representative(s), and three coaches. The Games Committee duties and responsibilities are enumerated in the National Federation Officials Manual. Each Games Committee shall appoint a Jury of Appeals which shall serve as the final authority in appeals that fall within its jurisdiction as defined by the National Federation Rules. The Jury of Appeals shall consist of three officials chosen from the officials of the meet, an MPA representative(s) and one coach. The Track Committee reserves the right to review upon request any decision made by the Jury of Appeals but may not overturn final scoring results of the meet.

## **ENTRIES**

**Number of Entries:** A school may enter as many athletes per event that have qualified.

**Seeding:** Times and distances reported on the event entry form will be used for seeding purposes. If there are not enough competitors to fill the field (14), the field will be filled by the next best qualified (provisional) entries (including ties). **Seeding information is due by February 14, 2017 by 9:00pm.** No changes or additions will be accepted after February 17<sup>th</sup>. Coaches who wish to have an athlete entered must enter them on the event entry form. **This includes provisional athletes.** The MPA depends upon and expects careful and accurate seeding practices by all coaches.

**Seeding Responsibilities:** Individuals seeding the indoor track meet will adhere to the following guidelines:

1. They will not contact coaches/schools who have not entered events for which they have qualified.
2. Prepare a list of schools that do not submit forms on the assigned day (\$35).
3. If questions arise, the committee chair will be contacted.
4. No corrections to submitted seeds will be made without contacting the committee chair.
5. We ask the person doing data entry to question performances which may not be verified.

**Scoring:** First through seventh places will be scored.

**Event Entry:** A competitor may enter any three events.

**Relays:** In relay events, a school may list up to eight members of the team to compete.

## **FIELD EVENTS**

**Shotput, Long Jump, and Triple Jump:** During trials and finals, competitors with the best distances will perform last. It is recommended that the vector for the shotput be set at 34.92°.

No runbacks will be allowed in the Long Jump or Triple Jump once the event has been called.

**Pole Vault and High Jump:** A competitor is not a qualifier until a height has been made. A competitor may pass to any height. Athletes will compete in order of “worst to best.”

### **RUNNING EVENTS**

**200, 400, 800, Mile and Two Mile Run:** These events will be run as final races, scheduled below, by sections if necessary. Fast (seeded) sections will compete last. Once sections are determined, lanes will be assigned by performance (time).

In the two mile run each team is required to provide one responsible adult to serve as a lap counter during the race.

**Hurdles and Dash:** Once heats are set up, preferred lanes are determined by time. The winner of each heat, along with the next fastest times to fill the field, will advance to the finals. Lanes in the finals will be determined at the trials.

In the running of the 200m event Lane 1 will not be used. Preferred lane assignment in the 200m shall be; Lane 4/Lane 5/Lane 3/Lane 6/Lane 2.

**Relays:** The 4 x 800 meter relay and the 4 x 200 meter relay will be seeded by official relay race times achieved during the regular season. The 4 x 200 meter relay will be run with a 3-turn stagger.

In the 4 x 800 meter relay each team is required to provide one responsible adult to serve as a lap counter during the race.

In the running of the 4 x 200m event Lane 1 will not be used. Preferred lane assignment in the 4 x 200m shall be; Lane 4/Lane 5/Lane 3/Lane 6/Lane 2.

**Time Schedules:** Each coach is responsible to see that his entries report to the various events as they appear in the Order of Events. Coaches must instruct their competitors to find out if they have qualified in events where semifinals or finals are being run. Competitors not reporting to the event will be scratched. Meet officials are not responsible to look for, call or wait for late competitors.

**Scratches:** Any athlete who is scratched from an event or fails to show for an event for which they have been entered shall be immediately ineligible from further competition in that meet with the exception of both relays. All prior performances shall not be affected and will stand.

**Inquiries, Complaints, and Appeals:** Coaches may direct their complaints to the Referee (rules) or the Meet Director (entries or conduct of the meet). Officials’

judgments are not appealable, but if rules are thought to have been misapplied, a written appeal stating the rule or terms and conditions in question (form provided by the Meet Director) may be submitted for consideration by the Jury of Appeals. The form must be completed and submitted to the Jury with the \$35 fee. The coach may then add any additional pertinent data and will leave as a decision is made. If the decision is in favor of the complainant, the \$35 fee will be refunded. **Coaches and athletes are advised that the appeals procedure should be used judiciously. Unsporting conduct may result in disqualification from the meet.**

### Qualifying Standards:

Qualifying standards are reviewed annually by the Qualifying Standards Committee. The following standards for running events are for times achieved from fully automatic timing systems. A fully automatic timing system is one where the firing of the gun starts the system and a camera hooked to a computer figures the finish time. If you do not use a F.A.T. system you must convert times in the following matter: first round the time up to the nearest tenth of a second and then add .24 seconds to the time, e.g. if the hand held time in the 100 is 11.71, it must first be rounded up to 11.8 and then add .24 to get a time for seeding purposes of 12.04. The first time/distance/height is the automatic standards; the second time/distance/height is the provisional standard.
