Beginning with the 2018 season, the MPA has imposed a $100 per school fee ($50 if the school sponsors tennis for only one gender) for participation in MPA Tennis activities. This fee covers participation in all MPA sponsored Team and Singles Tennis play, including the entry for up to three male and three female participants in the MPA Singles Championship competition. For Cooperative Individuals participating in the Singles Championship, the fee will be $10 per player.

**TENNIS SEASON DATES:**
- **Friday, March 8, 2019** - Team Tennis Schedule ($35 Late Fee)
- **Monday, March 25, 2019** - First Practice
- **Thursday, April 11, 2019** - First Countable Match
- **Friday, April 12, 2019** – Tennis Eligibility Roster Due ($35 Late Fee)

  The $100 entry fee per school ($50 if the school sponsors tennis for only one gender) competing in the MPA tournaments regardless of the number of players will be invoiced by the MPA following the submission of the Entry Form, which is due on April 30.

- **Monday, April 29, 2019** - Singles Entry Due Date ($35 Late Fee)

Be aware of Default Fee! A $10 fee will be assessed per player substituted or withdrawn after Friday, May 3)

**Note:** The weeks of April 29-May 3 and May 6-10 are AP Exams!

- **Friday, May 3, 2019** – All singles forms in the hands of the Directors.
- **Monday, May 6, 2019** – No phoned, faxed, or emailed substitutions will be accepted after 3:00 p.m. on this date. ($10 substitution/withdrawal fee per player applies.)
- **Wednesday, May 8, 2019** - Singles Regional Qualifying Seeding Meeting – The school coach (only if in attendance) may make a substitution at this seeding meeting. Once the draw is finalized no substitutions will be allowed. Coaches should not bring substitute singles players to the qualifying site as they will not be allowed to participate.

- **Saturday, May 11, 2019** – Regional Singles Qualifying Round
- **Tuesday, May 21, 2019** – The MPA Tennis Committee recommends that this be a school’s/league’s last scheduled regular season play date. This will more easily allow for end of season makeup matches.
- **Friday, May 24, 2019** – Last countable date for Team Tennis (extended from May 23).
- **Friday, May 24, 2019** – Round of 48 Prelims and Round of 32 (Moved to Apex Racket and Fitness, 2445 Outer Congress Street, Portland due to a wet forecast)
- **Saturday, May 25, 2019** – Round of 16 and Quarterfinals (Lewiston High School)
- **Monday, May 27, 2019** – Singles Semifinals/Finals (Bates College)
- **Monday, May 27 – Friday, May 31, 2019**– Online Team Tennis Sportsmanship Voting

- **Thursday, May 30, 2019** – Regional Team Quarterfinals @ Higher Seed
- **Saturday, June 1, 2019** – Regional Team Semifinals @ Higher Seed (Note: SAT date)
- **Tuesday, June 4, 2019** – North Regional Team Finals (Bates College – rain date June 5) [Event may be moved indoors on either date if weather becomes a continuing issue]
- **Thursday, June 6, 2019** – South Regional Team Finals (Bates College) (If rain, the Final will be moved to Apex Racket and Fitness).
- **Saturday, June 8, 2019** – State Team Championship (Lewiston High School)
Important Reminders:
It is recommended that coaches sign each other’s scorebooks before leaving matches in order to verify team and individual match results!

All matches are the best two of three tie break sets unless both coaches agree to another format. Matches must be completed - there are no provisions for protests. Final rulings rest with the host administrator. Please follow all MPA rules and regulations. If match issues arise, contact the MPA office, MPA Reps, or MPA tournament directors as listed in the MPA Bulletin.

It is expected that all players will be dressed in matching school issued uniforms for all regular season and MPA Tournament Team Tennis matches.

APPROPRIATE ADJUSTMENTS DUE TO PLAYER ABSENCES:
Over the years, there have been numerous transgressions of the rules dealing with substitutions due to player absence. Many, but not all, of these transgressions have been deemed unintentional by opposing coaches and the MPA Tennis Committee.

The following guidelines have been established to help clarify appropriate options to deal with player absence(s):

A. Teams that will not have a full seven-player team throughout the entire season:
1. The three most highly ranked players on the singles challenge ladder must play singles throughout the season. The #1 player must be better than the #2 player, and the #2 player must be better than the #3 player. 2. If a doubles match can be played, it must be at the #1 doubles position!

B. When a full complement of seven players is available but a regular player in the top seven is missing:
1. If the missing team member is a singles player, the coach may (1) break up one or both of the doubles teams and play the eighth ranked player on one of the doubles teams, or (2) play the eighth ranked player as the #3 singles.
2. If the missing team member is a doubles player, any doubles adjustment made by the coach is permissible.
3. In both 1. and 2. above, the #1 doubles team must be stronger than the #2 doubles team.

C. When fewer than seven players are available for a specific match:
1. Six players available: default #3 singles or #2 doubles (depending whether a singles player or a doubles player is absent)
2. Five players available: default #2 doubles
3. Four players available: default both doubles or #3 singles and #2 doubles (depending on the combination of singles players and doubles players absent)
4. Three players available: default both doubles
5. Fewer than three players available: default the match

D. In a team match where a tie could exist the tie breaker format will be:
a) Total sets won
b) Total games won
c) Total sets in the Singles matches won
WEATHER CONDITIONS
1. The safety of athletes (participants), spectators, coaches/directors, school personnel, and all others present at an athletic contest must be the first and foremost concern to the contest officials and building administrators.
When an interscholastic contest has been scheduled and dangerous playing conditions exist, or severe weather is anticipated, the following should be considered:

Prior to beginning an athletic contest, when severe weather is anticipated, the head contest official and the principals of each school, or their designees, will meet to review the suspension and/or postponement procedures.
The host school administrator will be responsible for informing contest officials, visiting school administrators and, if applicable, the individual responsible for public address announcements of designated shelter areas.
When lightning is observed in the vicinity of a contest, play should be suspended immediately and not resumed for 30 minutes after the last visual sighting of lightning.
If any other life-threatening condition occurs, play should be suspended immediately, and predetermined directions to safe locations will be announced.

2. When a suspension of a contest occurs, the following should be considered:
If the suspension is forty-five minutes or greater, resuming at a later date should be considered.

Play shall not be resumed until 30 minutes after the last flash of lightning.
When it appears that weather conditions are no longer a threat to the safety of participants, spectators, or contest officials, administrators from all schools involved will meet with the head contest official to determine if play will continue.
If play is to be resumed, contestants will be given at least a fifteen-minute warmup period prior to competition.

If evacuation is necessary, the following should be considered:
If lightning is imminent or a thunderstorm is approaching, all personnel, athletes and spectators should evacuate to available safe structures or shelters. A list of the closest safe structures should be announced.
All personnel, athletes and spectators should be clearly informed of available safe structures or shelters in the event a thunderstorm approaches. A list of the closest safe structures should be announced. The person in authority must be aware of the amount of time it takes to get to each structure and the number of persons each structure can safely hold. For large events, time needed for evacuation is increased and there must be a method (i.e., announcement over loud speaker) for communicating the need for evacuation and directing both athletes and spectators to the appropriate safe shelters.
The most ideal structure is a fully enclosed, substantial building with plumbing, electrical wiring and telephone service, which aids in grounding the structure. A fully enclosed automobile with a hard metal roof and rolled up windows is also a reasonable choice. School buses are an excellent lightning shelter that can be utilized for large groups of people. However, it is important to avoid contact with any metal while inside the vehicle.
Avoid using shower facilities for safe shelter and do not use showers or plumbing facilities during a thunderstorm as the current from a local lightning strike can enter the building via the plumbing pipelines or electrical connections. It is also considered unsafe to stand near utilities, use corded telephones or headsets.
during a thunder-storm, due to the danger of electrical current traveling through the telephone line. Cellular and cordless telephones are considered reasonably safe and can be used to summon help during a thunderstorm.

When caught in a thunderstorm without availability or time to reach safe structures, you can minimize the risk of lightning-related injury by following a few basic guidelines:

Avoid being the highest object. Seek a thick grove of small trees or bushes surrounded by taller trees or a dry ditch.
Avoid contact with anything that would be attractive to lightning. Stay away from free-standing trees, poles, antennas, towers, bleachers, baseball dugouts, metal fences, standing pools of water, and golf carts.
Crouch down with legs together, the weight on the balls of the feet, arms wrapped around knees, and head down with ears covered.

**SINGLES TOURNAMENT**

**PROCEDURES FOR STATE SINGLES PLAY**
The state singles individual player entry forms are due on April 29, 2019. A late fee of $35 will be assessed for forms not received by the due date. **All player withdrawals and or substitutions after 3 PM on Monday, May 6 will result in an extra $10 per player.**
The $50 per gender MPA Tennis Activities Fee will be invoiced by the MPA following the submission of the Entry Form, which is due on April 30.

At the singles qualifying sites, each entrant must bring one unopened can of yellow USTA sanctioned to the matches. The winner of each individual match keeps the unopened can for his/her next match, while the loser keeps the tennis balls used for their match.

Each school is permitted a maximum of **three girl** and **three boy** representatives in the MPA State Singles Qualifying Tournament. The school will be assessed an additional $10 per player for any substitutions or withdrawals made after Monday, April 29, 2019.

Substitutions **will not** be permitted once the draw is finalized at the regional qualifying seeding meeting. **Fines will apply to the original scheduled play date.**

There will be a default fee assessed to the school for each player who does not participate in the singles tournament after being assigned to a line on the draw-sheet. The default fee schedule is as follows: The fee for a default in the qualifying round is $50. The fee structure increases to $75 for a default on the first day of the MPA Singles Championships and $100 for a default on the second day of the championship. The default fee for Championship Monday is $125.

Schools are reminded that it is not a requirement to enter individuals in the MPA singles tournament. However, once a player is officially drawn to a line on the qualifying and/or state championship singles drawsheet, a $50/$75/$100 progressive per player default fee (regardless of the reason for said default) will be assessed. Waivers will be considered on make-up dates.

It is important that your school be represented at the regional seeding meeting to insure the proper seeding of all players. Other than the regular team coach, representatives
must be designated in writing by the school administration. Coaches not in attendance at sectional and/or state seeding meetings should not be critical of the seeding process or its outcomes.

Seeding at the qualifying level is designed to recognize the top tennis players in a given draw, regardless of team, conference, section, or regional affiliation. Coaches should bring seeding documentation including all match results to this meeting.

It is unethical for a coach to unduly promote his/her player for purposes of seeding.

**Seeding Criteria** (in rank order throughout the entire MPA Singles Tournament, including the Qualifying Round and Round of 48)

- Results of matches in the current MPA Tennis Season (Heal Point counting), including head-to-head matches between elite players who may be considered for seeding.
- Progression in the previous year’s MPA Singles Championships including head-to-head matches that may clarify the seeding of players.
- Should the seeding of players not be clearly defined by A and B above, the following criteria will be used (also in rank order):
  - Head-to-head results of non-Heal Point counting matches in the current tennis season.
  - Head-to-head results from previous MPA seasonal and tournament matches.
  - Local, sectional, and national rankings.
  - Documented head-to-head results in non-MPA junior and adult tournament play.
  - Close losses against higher rated players and comparative results against common opponents.

**Construction of the Draw—State Singles Qualifying Tournaments:**

A. Players will be seeded numerically, equal to the number of qualifying spots allotted to that region:
   Region 1 - 4 Region 3 - 8 Region 5 - 17
   Region 2 - 11 Region 4 – 8

B. Play at the qualifying level will end when the designated number of qualifiers in a region have been determined. *(Do not play down to a sectional champion.)*

C. In the construction of the qualifying draws, only these two factors will be considered:
   1. Numerically seeded players must not meet
   2. Teammates must not meet

D. In constructing the draw, the tournament director/tournament committee must work backward starting with the number of qualifiers from that region.
   Example: Region 2 —57 entries; eleven qualifiers.
   Work backward from 11 qualifiers to 22 players to 44 players.
   Play 13 preliminary round matches to reduce the field to the ideal size of 44.

E. Except for the final round of qualifying play, an eight game pro-set (with a Twelve-point tie-breaker at eight games) will be used.

F. The final round of qualifying play will be the best two of three tie-break sets.
The Qualifying Site Director must:

- Provide the opportunity for a reseeding meeting at the conclusion of that day’s play using a committee of site coaches as arbitrators.
- Immediately send the following information to the appropriate MPA officials (Stamped envelopes provided):
  1. The individual play information form as completed by each qualifier.
  2. A complete listing of withdrawn/defaulting players (and their schools) from that region.
  3. All reseeding information
  4. A copy of the qualifying tournament drawsheet.

THERE WILL BE NO SEEDING MEETING FOR THE ROUND OF 48.

ROUND OF 48 DRAW PROCEDURE

1. The players qualifying for the round of 48 in the singles tournament will be seeded by the director, after consulting with the regional site directors.

2. The draw for the boys' and girls' round of 48 championship singles tournament will be developed with the following guidelines:
   A. The top twelve players will be seeded numerically by ability.
      1. If two (or more) teammates are seeded, every effort will be made to place them in separate halves (quarters) of the draw unless such placements result in obvious errors in seeding.
      2. Non-seeded teammates must be placed in opposite halves (quarters) of the draw from other seeded/unseeded teammates.
   B. The numerically seeded players should be assigned to the draw sheet as follows:
      #1 seed – line 1; #8 seed – line 5; #9 seed – line 7; #4 seed – line #9; #5 seed – line 13; #12 seed – line 15; #11 seed – line 18; #6 seed – line 20; #3 seed – line 24; #10 seed – line 26; #7 seed – line 28; and #2 seed – line 32.
   C. The four quarters of the draw will then be constructed so that non-seeded players join the two seeded players in each quarter of the draw.
      - Four non-seeded but highly rated players will then be randomly drawn and placed on lines 3, 11, 22, 30 of the draw sheet, with attention still given to [#2, A (2)]. These players may come from any of the state’s five tennis regions and will come from a pool of players considered for numerical seeding.
      - 32 qualifying players will be randomly assigned to draw sheet lines 2a, 2b, 4a, 4b, 6a, 6b, 8a, 8b, 10a, 10b, 12a, 12b, 14a, 14b, 16a, 16b, 17a, 17b, 19a, 19b, 21a, 21b, 23a, 23b, 25a, 25b, 27a, 27b, 29a, 29b, 31a, 31b. Attention to [#2, A (2) above] remains in effect.
   D. The winners of these preliminary matches will advance to the ‘Round of 32’, joining the twelve seeded and four placed players.

In the MPA Round of 48 portion of the MPA Singles Championship Tournament, the First Round matches will be two sets with a ten point match tie-breaker used if the players split sets. Matches beginning with the Round of 32 will be two of three tie break sets.

COACHING

In both the Singles and Team Tournaments, coaches may coach individual players for no more than two minutes on the court at the completion of the first set. After split sets coaching off-court
may take place but play must resume within 5 minutes. Coaching will not extend the times allowed between sets.

DATEN FOR MPA SINGLES CHAMPIONSHIP PLAY:
Monday, April 29, 2019 – Singles Entry Due Date ($35 late fee applies)
The $50 per gender MPA Tennis Activities Fee will be invoiced by the MPA following the submission of the Entry Form, which is due on April 30.

Monday, May 6, 2019 – No phoned, faxed, or emailed substitutions/withdrawals will be accepted after 3:00 p.m. on this date. ($10 substitution fee per player applies.)

Wednesday, May 8, 2019 - Singles Regional Qualifying Seeding Meeting - 7:30 p.m.
(Only coaches or school designated representatives may make substitutions in person. The $10 per player withdrawal or substitution fee applies.)

NO SUBSTITUTIONS ALLOWED AFTER DRAW IS COMPLETED. Coaches should not bring substitute singles players to the qualifying site as they will not be allowed to play!
(All absent players will be considered defaults if the tournament is held on the originally scheduled day.)

SINGLES TOURNAMENT CLOTHING
Although team uniforms are not required, it is expected that all singles players will be dressed in tennis appropriate attire. All tops must be free of inappropriate wording or design and must be modest and tucked into or hang below the waistband of the shorts or skirt. The lower body garments must also be appropriate in wording, style, design, trim, and length. Tennis appropriate footwear with non-marking soles must be worn.

TENNIS PROTOCOL
Glassware must not be taken onto the court.
Most first-class tennis facilities prohibit gum chewing on all courts.
All technological devices must be turned off or not taken onto the court by the players.
Players must use appropriate language at all times.
Common sense and courtesy should always prevail while playing tennis.
Saturday, May 11, 2019 - Regional Singles Qualifying Round
Postponement Date: In the event of a postponement on this date, the singles qualifying play will be rescheduled for a later date and at a time that best take into consideration the weather forecast, facility availability, and the specific needs of the MPA tennis season. Postponement will surely affect other school sponsored events and create inconveniences.

All matches prior to the actual qualifying round in the MPA Singles Qualifying Tournaments will be one "pro set" to eight (8) games, with a twelve-point tiebreaker played at 8-all. The qualifying round - where the winner advances to the "Round of 48" - will be the best two of three tie-break sets.

Reminder: All players must be checked-in and represented throughout the day by a coach who meets MPA eligibility standards or by a school representative, designated in writing by the principal or athletic administrator. This coaching replacement must meet the MPA coaches’ eligibility standards and appears on the school’s current coaches’ eligibility list. NO private coaches are to be on the courts at high school matches unless he / she is on the school’s eligibility list for coaches.

REGULAR SEASON PLAY DATES AND INFORMATION:
See MPA suggested regular season play dates below when constructing schedules to avoid potential conflicts.

MPA suggested regular season play dates for the 2019 tennis season:
April 11, 12, 13, 15, 16, 17, 18, 19, 20, 22, 23, 24, 25, 26, 27, 29, & 30. (These dates may conflict with April vacation.) May 1, 2, 3, 4, 6, 7, 8, 9, 10, 13, 14, 15, 16, 17, 18, 20, 21. May 22 and 23 should only be used for makeup matches.

The tennis committee has allowed each school more than enough play dates to complete a 12-match season. Please plan ahead so that you can comfortably complete your season and any makeup matches!

There should be enough dates allowed to complete a 12-match season without going back-to-back before postponements begin!

Do not put off postponed matches until the end of the season!

The MPA Tennis Committee strongly recommends that no regular season matches be scheduled after Tuesday, May 21, 2019.

Thursday, May 23, 2019 - Last Date for Heal Point Countable Matches.
Unresolved matches will result in a loss for both teams.

Monday, May 27 – Friday, May 31, 2019 at 11:59 p.m. – Online Team Tennis Sportsmanship Balloting.

TEAM TOURNAMENT
All tournament matches may be played earlier than the scheduled date by mutual consent. No matches may be played after the scheduled date unless rained out. Schools may have both Boys and Girls teams in Preliminary or Tournament matches. We ask that schools extend every courtesy to facilitate scheduling of matches.

Tuesday, May 28, 2019 – State Team Tournament Regional Prelim Rounds.

PROCEDURES FOR TEAM TOURNAMENT
RULE BOOKS
USTA rule books may be purchased from: USTA Publications, 70 West Red Oak Lane, White Plains, NY 10604.

HEAL POINT REPORTING SYSTEM
The seeding for the tournament will be determined by using the Heal Point System. Athletic Directors are responsible for the reporting of home matches ASAP following the match’s completion. Coaches/athletic administrators are asked to enter results through the link on the MPA website. Please report all scheduled matches to the site as soon as matches are completed.

TEAM TOURNAMENT QUALIFYING MATCHES
1. The maximum number of countable matches is 12, the minimum number of countable matches is 8. Divisor is 8, if less than the recommended number of minimum matches is played.
2. If one team schedules a match as a countable match and its opponent does not, the match will not count for either school.
3. When teams do not play a regular season Heal point countable match that was submitted on their season schedule form, the tournament index divisor will not be reduced for either team.
4. Team schedules are due at the MPA office by March 8, 2019. A late fee ($35) will be assessed for team schedules not received by the due date.

TEAM TOURNAMENT QUALIFICATION INFORMATION
1. Two-thirds of the schools in each region (North/South) in each class will qualify for the regional tournament. The Heal point system will be used to determine seeding for the team tennis tournament.
2. If the tying teams are both (all) qualifiers for the tournament field, the numerical seeding will be defined by: 1) Head-to-head play, 2) A coin flip. If two teams are tied for the final playoff spot, and the tie is not resolved by head-to-head play, a one match playoff will be held with the home team determined by a coin flip. NOTE: In the event of a three- (or more) way tie for the final qualifying position(s), byes and pairings to determine the tournament qualifier(s), will be decided by a coin flip(s). All coin flips will take place at the MPA office.
3. Each school's boys and girls tennis eligibility rosters are due at the MPA office on or before April 12, 2019. A late fee of $35 will be assessed for forms not received by the due date.

TEAM TOURNAMENT BALL
The ball for the team and singles tennis conducted by the MPA Tournament Committee will be the Wilson Extra Duty Hard Court Tennis Ball. The MPA will provide the balls for the MPA Singles Championship tournament and the regional and state team championships.

TEAM TOURNAMENT UNIFORMS
It is a requirement for all team members to be dressed in matching school issued uniforms (within reason: fading, dye lots, and sizing issues) throughout the entire match. All tops must be free of inappropriate wording or design, and must be modest and tucked into or hang below the waistband of the shorts or skirt. The lower body
garments must also be matching in style, design, trim, and appropriate length. Matches may not be started until this requirement has been met! During the regular season matches the coaches are responsible for enforcing this requirement. All violations should be reported to the appropriate athletic administrator or principal.

TEAM TOURNAMENT AWARDS
At the Team Regionals and States, ten (10) medals will be awarded. Schools may order additional medals on their own. Schools needing additional awards may contact Dinn Brothers at mkdinn@dinntrophy.com or 1-800-628-9657.

TEAM TOURNAMENT HOSTING SUGGESTIONS
It is a privilege to host a Regional Team Tennis tournament match. However, it takes a significant amount of planning to conduct such an event well.

The following suggestions may aid the match director, local administrator, or coach in providing an outstanding experience for all involved!

- Set the time and date for the match as soon as possible.
- Notify the local press.
- Research indoor options if weather is predicted to be a problem.
- Clean the courts and verify that they are well marked, safe and all posts and nets are in good condition and the proper height.
- Have Roll-Dri’s available in case of rain.
- Provide score cards if possible.
- Provide for a water source for all players.
- Bring a copy of the MPA Bulletin and Rule Book to the courts.
- Provide new USTA Approved tennis balls for each match.
- In conjunction with the visiting coach, establish the match order of play, match length, verify and announce match line-ups, establish any special ground rules, enforce the uniform rule, supervise matches, control spectators and establish viewing areas, record the score of the match and report it to the press.
