TERMS AND CONDITIONS

HANDS-OFF PERIOD

In order to provide a window of personal time similar to that available prior to the winter and spring sports seasons, summer recess is defined as the time period between the last day of the spring sport season to July 31 or fourteen (14) days prior to the beginning of the fall sport season, whichever occurs later. This does not exclude individual students from attending camps during this two-week period of personal time as long as all other Sport Season Policy requirements are met.

Please refer to the questions and answers, which appear on the MPA website to clarify the policy and answer questions you may have.

RULES CLINIC

The head coach of the girls’ volleyball team of each participating school is REQUIRED to **watch a video** for NFHS Volleyball Rules Updates listed below presented by the Maine Association of Volleyball Officials (MAVO). The distance learning sessions will be done using the Tandberg equipment via the Live C Distance Learning Group.

NATIONAL FEDERATION RULES/MPA TERMS AND CONDITIONS

The National Federation Volleyball Rules are official for all matches. In addition, the terms and conditions in this bulletin will govern all regular season and tournament matches as indicated.

1. In all matches, the game shall consist of the best of five format using rally scoring. The game ends at 25 points (no cap) with the 5th game ending at 15 points (no cap). All games, within a match, must be won by two points.
2. There shall be no "joint hitting" at any time prior to the match. Coin flips will occur at 25 minutes prior to the match with captains and coaches. Each team will be allowed to warm up (peppering, stretching, etc.) on its respective side of the court. At 15 minutes prior to the match start time, the serving team will be allowed the full court for hitting for 6 minutes. The receiving team will then be allowed the full court for 6 minutes. There shall be no joint serving with both teams on the court.
3. Players shall not wear jewelry (including during pre-match warm-ups) with the exception of religious or medical medals. If such medals are worn, they shall be taped to the body under the uniform. Uniforms shall be worn as intended by manufacturers.
4. Schools must use two officials from the Maine NFOA.
5. The formal official's uniform for the State of Maine is that used for USA Volleyball (men's collegiate and club play) and the NCAA, which is navy blue pants, certified official's white shirt, white sneakers, and certified official's white sweater (optional).
6. There will be a major emphasis on the starting of the match immediately following the National Anthem.

VIDEOTAPING: Only persons (including players' relatives) connected with the two schools involved in a match may videotape the match live. All other videotaping by persons not connected to either school is considered unethical.

SCOREKEEPERS AND LINE JUDGES: It is recommended that host schools train scorekeepers before the regular season begins in order to minimize scorekeeping errors in countable matches. In addition it is recommended that host schools have scorekeepers and line judges report to the match site **25 minutes** before the match begins so that they can meet with the officials and review their responsibilities. It is recommended that line judges use flags during the regular season. Schools are encouraged to have score tables that are handicapped-accessible.

PENALTY CARD SYSTEM

Please refer to National Federation Rule No. 12.

EJECTION RULE

In all team and individual sports (varsity or sub-varsity), ejection or disqualification from a game, meet, or match for unsportsmanlike behavior of any form, by a coach or a player shall result in the suspension of that player or coach. The coach or player ejected from a contest must sit out all contests at all levels until the coach or athlete completes the ejection penalty by sitting out the next game at the level from which he/she was ejected. This rule applies to a

game, meet, or match suspended before completion as well as a completed contest. This penalty may not be served by sitting out an exhibition, subvarsity, or other competition.

A suspended coach may not be present at the game site. Not being physically present at the site means the disqualified coach is not to be present in the locker room, on the sidelines, in the stands, or site area before, during, or after the game/meet.

Prior to their return to the sideline any coach ejected from a game must complete the NFHS *"Teaching and Modeling Behavior"* video that is available at the NFHS website (www.nfhslearn.com).

Any coach or player ejected from the last game, meet, or contest of a sports season shall serve a one game suspension in the opening countable game, meet, or contest in the next varsity sport in which he/she participates. The coach/athlete may participate fully in the preseason prior to serving the one game suspension.

This policy will not prevent standing committees from imposing more restrictive disciplinary action. (Effective Date: 1996-97 Winter Sport Season; Revised 2008, 2009)

REPORTING REGULAR SEASON MATCH RESULTS

Athletic administrators are responsible for the reporting of home games on the online reporting system ASAP following the match's completion.
