- I have read the MPA 2016-2017 Drama Bulletin, have approved the script and production, and am aware the play is for a family-type of audience. Sexual content that is gratuitous and inappropriate for family audiences may result in a principal being asked to explain his/her decision to approve a play to the Interscholastic Management Committee. I am also aware of the necessity to pay appropriate royalties.
- The script for our play has not yet been selected. However, I am aware of my responsibility to read and approve the script to assure that it is appropriate for a family-type audience.
