REQUEST TO COMPETE IN A HIGHER CLASSIFICATION

This form is to be used when schools wish to “apply up” in classification. Schools that apply to compete in a higher classification do so in that sport only and must remain in the higher classification for two years to coincide with the classification cycle. Application to apply up applies to both male and female teams in the same sport.

A request to compete in a higher classification must be received at least 30 days prior to the submission of schedules.

Date of Request:

School Requesting Classification Change:

This is a first request.

This is a reapplication to remain in the higher classification.
