

**Maine Principals' Association
2004 Maine Drama Competition
Results of State Finals March 19-20**

Division I held at Camden Hills Regional High School

Two schools were declared State Champions and were selected to advance to the New England Drama Festival (April 22-24 at Lawrence High School in Fairfield). One school was named as the alternate in the event one of the two winners was unable to take part in the New England Festival. As it turned out, Hermon and Yarmouth were both unable to advance so the fourth place school, Falmouth High School, will represent Maine at the New England Festival.
